REASONS FOR ALLOWANCE

The prior art made of record and not relied upon is considered pertinent to applicant's disclosure. Abe and Abe et al each disclose a disk loading apparatus.

The following is an examiner's statement of reasons for allowance: the prior art of record considered as a whole fails to teach or suggest a disk loading apparatus comprising: a roller for pulling in and ejecting a disk; a disk-pass detecting switch for detecting a pass of the disk when the disk is ejected; disk discriminating means for discriminating a size of the disk; and a controller for controlling, in responsive to a discrimination result by the disk discrimination means, an operation time of the roller after the pass of the disk during ejection is detected.

Any comments considered necessary by applicant must be submitted no later than the payment of the issue fee and, to avoid processing delays, should preferably accompany the issue fee. Such submissions should be clearly labeled "Comments on Statement of Reasons for Allowance."

Any inquiry concerning this communication or earlier communications from the examiner should be directed to Paul W. Huber whose telephone number is (703) 308-1549.
